

**17th Annual  
Durham Children's Aid Foundation**

*Fore the Future*

**Charity  
GOLF  
Classic**

Durham Children's Aid Foundation (DCAF) is committed to collaborating with the community to enable equal opportunities for children, youth and families, so that they may reach their full potential. A post-secondary education is critical in ensuring that this potential is realized for our youth as they embark on new opportunities and rewarding paths as contributing members of society.

Sometimes, it is simply the knowledge that someone out there cares enough to support their future. As these youth face the loss of income and challenges associated with the pandemic, they need your help more than ever to help make their dreams a reality.

Money raised for the Durham Children's Aid Foundation's Bursary Program assists with the rising costs of tuition, books, shelter and other related expenses.

---
